DEDICATION TO THE MEMORY OF ANDREW E. POLLARD, SR.

1937—1980
Assistant Professor of History
Upward Bound Coordinator
Athletic Director
Head Baseball Coach

"Remember me when I am gone away,
Far into some silent land;
And if you should forget me for awhile,
And afterwards remember, do not grieve;
It is better far that you should forget
and smile

Than that you should remember and be sad."

— Emily Dickenson

Learning and enjoying;
Studying and having fun —
Happy Faces Are We,
Happy People Are We,
Classy Are We!

Happiness, Joy, Seriousness about our studies, Determination in our endeavors, victory through A working together as family members . . .

Faculty and students working together using skills, patience, and love to help us achieve.

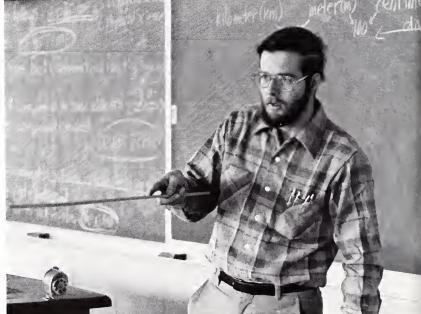

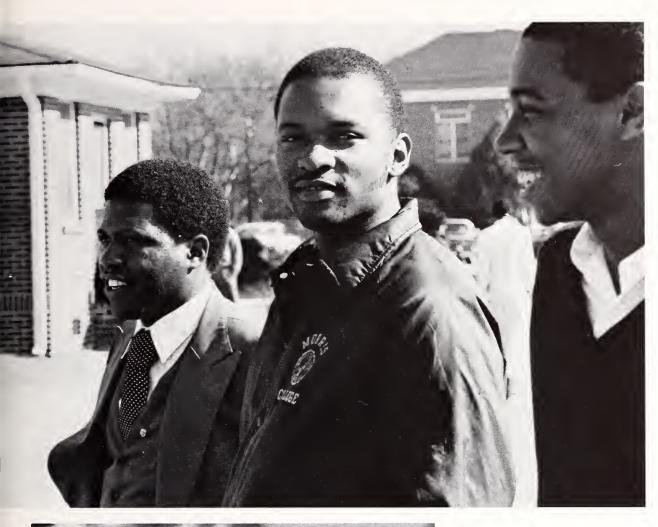

You never get a second chance to make a good first impression.

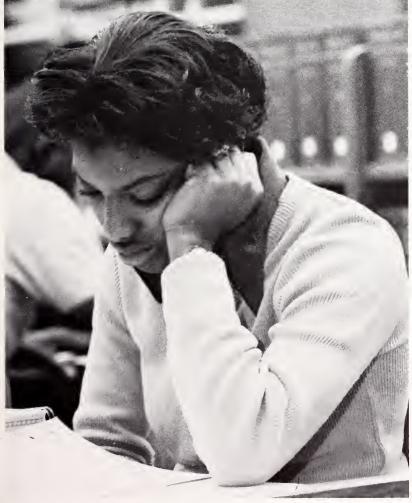

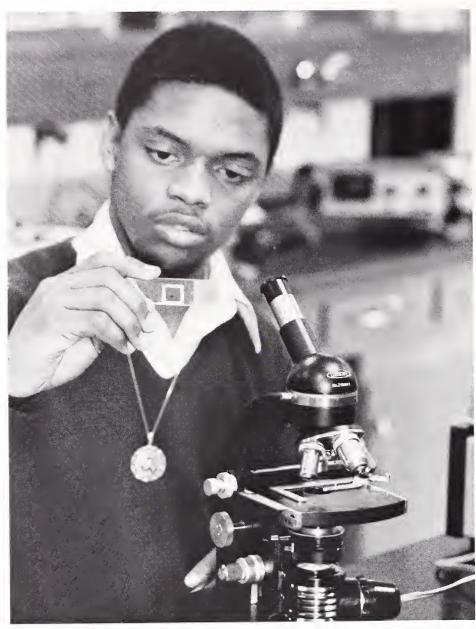

Our impressions are those of dynamic young minds who have entered to learn.

The future belongs to those who prepare for it. We are prepared through study, experiments, assembly programs, fellowship, social experiences, and just plain having fun!

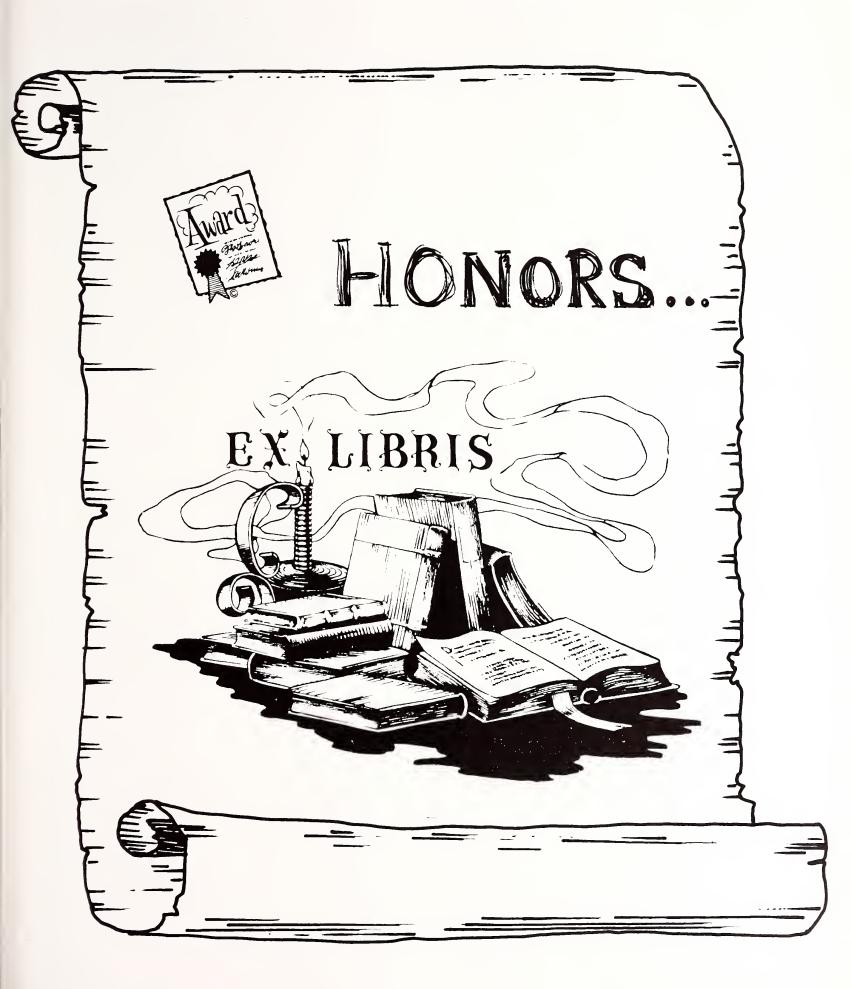

Happy are those who dream dreams and are ready to pay the price to make them come true

We are the dreamers. We pay the price. Happy people are We!

Alpha Kappa Mu Honor Society Inducts Five New Members

L to R — Dr. L. C. Richardson, Loletha Reed, Nancy Goodwin, Glenda Howard, Bernette Robinson, Valerie Hargrove, Dr. Mollie Brown Terry, Director of Region Five, Alpha Kappa Mu National Honor Society.

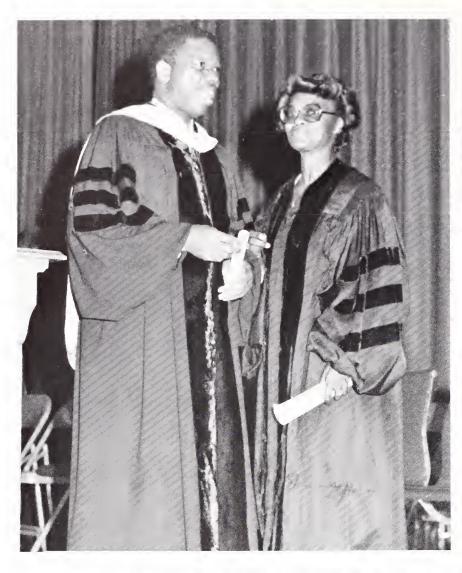

ALPHA KAPPA MU HONOR SOCIETY

Alpha Kappa Mu Honor Society, Inc. is a general Scholarship Society which is open to both men and women of junior and senior classification who qualify academically. Eligibility to active membership is based upon junior or senior classification with a minimum of 60 semester hours (provided this is 50% of the hours needed for graduation) and a cumulative grade point ratio of at least 3.3 on a 4.00 scale. Trasfer students shall be in residence for at least two semesters with a minimum of 30 semester hours earned at the new institution toward a degree.

Alpha Kappa Mu was founded in November 1937 on the campus of the then Tennessee A & I State College in Nashville by Dr. George W. Gore, Jr., Dean of the college. There are now more than seventy-five active chapters of the Society on

the campuses of regionally-accredited colleges and universities. Alpha Kappa Mu has been a member of the Association of College Honor Societies since 1952.

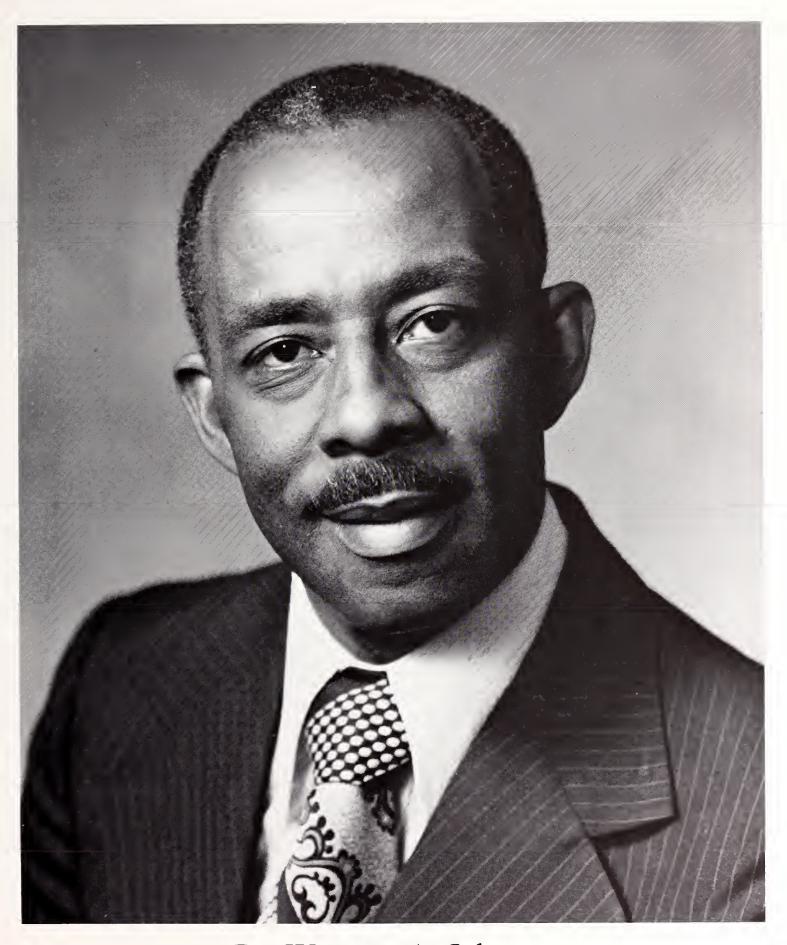

Under the leadership of its president, Dr. Luns C. Richardson, Morris College was granted accreditation by the Southern Association of Colleges and Schools in December 1978. As a result, the College became eligible to host a chapter of Alpha Kappa Mu National Honor Society. Accordingly, on March 18, 1980 the Mu lambda Chapter was officially established at Morris College with fourteen inductees. Dr. Luns C. Richardson, president of Morris College, has been a member of Alpha Kappa Mu Honor Society for more than twenty-five years.

REV. JAMES BLASSINGAME PRESIDENT STUDENT GOVERNMENT ASSOCIATION

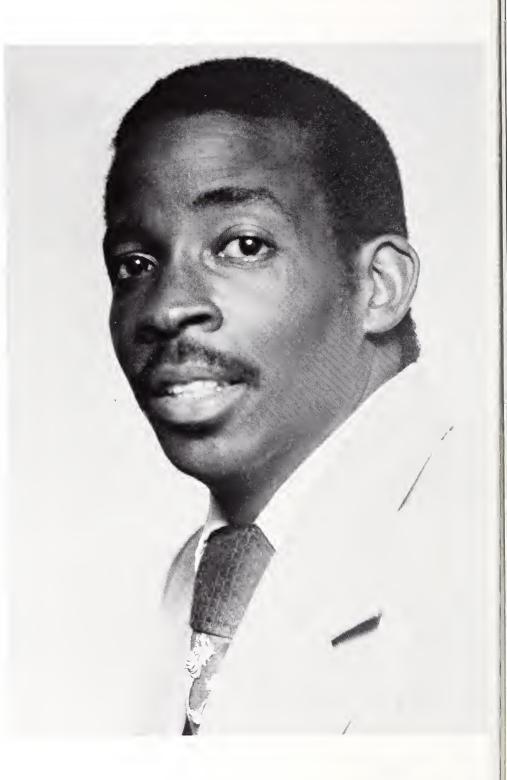

Message From the SGA President Horace Mann, an American educator, once wrote, "A human being is not in any proper sense, a human being, until he is educated". Today, there is an urgent need for education. Education, together with Christianity, is the black man's only means of retaliation against inequality and injustice.

We have come a long way, but we still have a long way to go. It is because of institutions like Morris College that we have come thus far. Morris College is one among the 107 predominantly black institutions of higher learning in this nation. It has a great history of educational and religious programs that have enhanced its students to strive for excellence. This fine institution was the beginning of a prominent career for previous Morris students.

Morris offers an excellent quality of teaching and a competent faculty and staff whose priority is geared to the complete success of its students. Our motto is "Enter to learn, Depart to serve". My fellow students, I urge each of you to gear your concerns to your studies which should be your first priority. We, as students should keep in mind that education will become more and more demanding for the future leaders of the world. Bachelor and master degrees are becoming more and more a requisite, and further study is being required after job placement.

The founding fathers of this great institution envisioned a place where young black men and women would feel the necessity of having had the opportunity to achieve a college education that would open doors which otherwise would be closed. We, as participants, must not let the dream of our forefathers dry up like a raisin in the sun; we must work and see it become a reality.

I think the words of David Starr Jordan sums it up best, "Wisdom is knowing what to do next, skill is knowing how to do it, and virtue is doing it."

A CLOSING MESSAGE FROM THE EDITOR-IN-CHIEF . . .

Debra Shivers Editor-In-Chief

Now that you have had the opportunity to peruse this edition of the Hornet Yearbook, I hope that these pages have brought back some of your fond memories of the 1980-81 school year. Hopefully, you have had as much fun thumbing through pages as we have had hard work in putting it together — and that'll be a lot of fun.

I would like to take this opportunity to express my appreciation to a number of persons who helped make this edition possible.

Thanks to Dr. Richardson and the administration for strong support. We never had any problems getting our requisitions approved (as long as we kept them within reason).

A special thanks to my Assistant Editor, Cathy Green, and my Associate Editor, Faith Coe, and all the members of our loyal and industrious staff. Also to our Advisor, Mr. J. David Weeks, who spent long hours with us, always lending a guiding hand, and who treated us to a nice pizza party once all the work had been done.

Finally, we extend appreciation to the Delmar Company and our Yearbook Representative, Mr. W. B. Bullock (and his photographer Mr. Brown). Also, the School Photographer, Mr. Walden Harris.

THANKS TO ALL AND HAPPY SUMMER!!
